

## LIST OF ATTORNEYS

**Disclaimer:** The U.S. Embassy assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the following persons or firms. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Embassy. Names are listed alphabetically, and the order in which they appear has no other significance. The information in the list on professional credentials, areas of expertise and language ability are provided directly by the lawyers. You may receive additional information about the individuals by contacting the local bar association (or its equivalent) or the local licensing authorities.

**The List of Attorneys:** The following individuals and firms have informed the Embassy that they are qualified to adjudicate law in the categories specified and that they are sufficiently competent in the English language to provide services to English-speaking clients. Generally, this list is revised annually to ensure that local counsel are still practicing in the consular district and are willing to represent clients from the United States. Detailed information on retaining an attorney abroad may be found at:

**Important Note:** Before making an appointment to see a lawyer in Botswana, first ask if you will be charged for the initial consultation, and if so, how much the fee will be for this service.

All corrections and modifications should be sent to the: U.S. Embassy, American Citizen Services, P.O. Box 90, Gaborone, Botswana, or by E-mail to: [consulargaborone@state.gov](mailto:consulargaborone@state.gov).
